As evidenced by my signature below, I do hereby request for Wattsville Water Authority to provide water service for the benefit of the Service Address (the "Property") identified herein. I recognize a benefit to the Property and to myself as owner thereof. I further agree and guarantee that should the Renter identified herein fail or refuse to pay any obligation assessed by Wattsville Water Authority related to the provision of water service or otherwise, I will personally satisfy the same. I further agree and acknowledge that Wattsville Water Authority will not provide water service to a subsequent inhabitant of the Property unless and until any obligation to Wattsville Water Authority associated with the service being provided as contemplated herein has been satisfied in full.
